COUNTY COURT DAY SALES.

There was a large crowd in the city on county court day (Monday).

A very considerable lot of horses were on the market, and some good ones brought top prices.

Quite a bunch of two-year-old steers were offered and brought fair prices. Cows and calves and plug horses sold low. Mules brought good prices.

Commissioner Posey sold a large number of houses and lots belonging to the estate of the late Mr. D. L. Haley.

The three-story brick store-

room, on Main street, just west of this office, now occupied by the Rupert Grocery Co., brought \$9,000, which is considered a splendid price. There was a number of competing bidders, but it was finally knocked down to Gen. Percy Haley, as a representative of the heirs, and all the other property was likewise bought in by him, quite a number bringing good prices.

The sale was made to fix a basis for a division among the heirs.

THURSDAY MORNING BLAZE

At 7:55, on Thursday morning, an alarm from box 37, called the fire boys to the residence of Mr. "Dude" Gilpin, on the West Side where a small blaze had started. The fire was extinguished with only nominal loss.

THE LIVER QUARANTINE

"TAKING HIS MEALS OUT."

Hurried eating has ruined many a man's stomach. The digestion-destroying process is gradual, often unnoticed at first. But it is only a short time until the liver balks, the digestive organs give way, and almost countless ills assail the man who endeavors to economize time at the expense of his health.

A torpid liver causes a quarantine of the entire system. It locks in the diseased germs and body poisons and affords them full play, inviting some serious illness.

In families where August Flower is used, a sluggish liver and constipation are unknown, so are all stomach ailments, as well as indigestion, dyspepsia, heartburn, headaches and kidney and bladder affections. No well-regulated family should be without this standard remedy.

Two sizes, 25c and 75c. All druggists.

Heart Strength

Heart Strength, or Heart Weakness, means Nerve Strength, or Nerve Weakness—nothing more. Positively, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the Heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help.

If you would have strong hearts, strong digestion, strengthen these nerves—re-establish them as needed, with
